Is it time to rejuvenate your future??

Grout is the stuff between your tiles and it is everywhere!! Over time grout can become damaged, discolored and fragile. Let's face it, we don't want to spend time in a bathroom or kitchen if it doesn't look appealing or feel clean. We offer an alternative to costly renovations (remove and replace tile and grout) with our environmentally friendly restoration systems and customers are thrilled to hear they have affordable options.

Business is booming, we have leads for areas that don't have Grout Doctors. We are looking for energetic, service and sales oriented individuals who are interested in financial security and personal fulfillment through our franchise opportunity.

Our start up package is affordable and we provide you with all the tools you will need for instant success!!!

We are the experts!

We have been in the tile, grout and natural stone care business since 1992. We are the experts who have set the industry standards. Over the years we have built a strong brand identity, exceptional franchise relationships and a business model tuned to perfection. Pride of workmanship, integrity and customer satisfaction is what makes us the only consumer choice!

Tile and grout, it's what we do!

We Cure Sick Grout®, tile and natural stone too!!! Our services include grout, tile and natural stone cleaning, sealing and repairing as well as:

- Re-grouting
